***Reminder: PAST DUE - Please submit your IEEE article processing charge(s)*****COVID-19 ALERT**

The safety and well-being of our members and authors is of great importance to IEEE. Many universities are operating with limited staff and new procedures due to the COVID-19 pandemic, IEEE knows there may be delays in APC payments. Unless prompted to seek funding approval, you can pay APCs by credit card or pay by 'invoice' to signal payment is intended as staff/funding is made available.

Dear Prof. Ying Qian,

RightsLink, who is working on behalf of IEEE, has attempted to contact you regarding the publication charges which can include Voluntary Page Charges, Overlength Page Charges, Color Figure Charges or Open Access Charges for your manuscript in *IEEE Transactions on Big Data*. These charges remain unpaid and we would like assistance in finalizing the payment and completing the publishing process. Please verify the charges by clicking the link below and follow the steps to make a payment or generate an invoice. We have included all co-authors of the manuscript should a change in payer be needed.

To facilitate prompt publication, please pay your article processing charges using the RightsLink® e-commerce solution from Copyright Clearance Center (CCC).

[Pay charges now / Raise an invoice](#)

To review and pay your charge(s), please [click here](#).

To complete a secure transaction, you will need a [RightsLink account](#). If you do not have one already, you will be prompted to register as you are checking out your author charges. This is a very quick process; the majority of your registration form will be pre-populated automatically with information we have already supplied to RightsLink.

If you have any questions about these charges, need instructions on how to navigate the billing application or issues with your bill, please contact CCC [Customer Service](#) using the information below.

Sincerely,
Institute of Electrical and Electronics Engineers (IEEE)
